

2024-25 PLTW Community Impact Awards

The 2024-25 [PLTW Community Impact Award nomination portal](#) opens on Monday, January 6, 2025, and closes on Friday, February 28, 2025, at 11:59 p.m. ET.

Overview

Students are the future leaders of our communities and our world, and the choices they make today will have a lasting impact on the world around them. By taking an active role in their communities, students can begin to make a positive impact right now.

There are many ways that students can positively impact their communities. This could be through delivering a service, creating a product, or making something more accessible to everyone. The PLTW Community Impact Awards recognize PLTW students for applying the skills learned in their PLTW classroom in the real world, and most importantly, for making an impact on those around them.

Eligibility

PLTW middle and high school students are eligible for a PLTW Community Impact Award. Projects may be led by individual students or by groups of students.

We'll select a 2024-25 Community Impact Award middle school winner and a 2024-25 Community Impact Award high school winner. We will consider nominations from any middle or high school PLTW program.
